LETTER OF INTENT: STRATEGIC FULFILLMENT PARTNER

Dear CEO,

RE: EXPRESSION OF INTEREST TO JOIN THE DISCREETKIT FULFILLMENT NETWORK

This letter serves to confirm that [Pharmacy Name] expresses its intent to partner with Access Discreetkit Ltd as a Fulfillment Partner.

We understand that DiscreetKit operates as a digital infrastructure layer, routing anonymous orders from young adults directly to our pharmacy, allowing us to capture a market segment previously lost to stigma.

By signing this Letter of Intent, we confirm our willingness to:

1. Serve as a Fulfillment Partner: We agree to receive and fulfill orders routed to us by the DiscreetKit platform.
2. Provide Partner Pricing: To ensure the service remains affordable for young adults, we agree to supply products at a negotiated partner rate (wholesale/subsidized price) rather than standard retail shelf price.
3. Uphold Privacy: We agree to maintain strict confidentiality regarding the identity of any customers routed to us.

We understand this letter signals our strategic intent to proceed with a formal Service Level Agreement (SLA) upon the launch of the platform.

Authorized Signature,
